

**CITY OF BUENA PARK  
MEMBER OF THE CITY COUNCIL**

**STEVEN M. BERRY**

**OCCUPATION:** Business Executive

I am dedicated to improving the quality of life in Buena Park. I believe that public safety, crime fighting, and efficient roadways should improve the lives of all citizens, including our youth and seniors, while fostering an opportunity for business to prosper.

I have a vested interest in this community. I am a 40-year Buena Park resident. Together with my wife Rinda, I manage a publishing corporation, maintain a modest home, and raise our three children. During the previous eight years I have served as a Buena Park Councilmember and volunteered service to the community.

Each elected official brings personal strengths and skills to the City Council. With my continuing life-long involvement in Buena Park, advanced education, management expertise, and City Council experience, I bring extensive knowledge and skills needed for responsible decision making and fiscal responsibility.

To ensure our future, Buena Park's leaders must maintain long-term thinking, utilize creative problem solving, and stand firmly against overspending. As your elected representative, I'll remain available to all citizens, work to reduce the city's projected budget deficits, and continue improving Buena Park as a desirable city in which to live, work, and play.

I ask for your vote.
